

Technical drawing of a mechanical part, showing a cross-section A-A and a top view.

**Cross-section A-A (2:1 scale):**

- Overall width: 32
- Central hole diameter:  $\phi 16$
- Inner hole diameter:  $\phi 13$
- Outer fillet radius: R 0,5
- Inner fillet radius: R 0,5
- Top surface thickness: 1,6
- Inner hole depth: 3
- Outer hole depth: 3
- Inner hole length: 7,3
- Outer hole length: 7,95
- Inner hole offset from center: 3
- Outer hole offset from center: 16

**Top View:**

- Overall diameter:  $\phi 32$
- Central hole diameter:  $\phi 16$
- Inner hole diameter:  $\phi 13$
- Section line A-A is indicated by two arrows pointing to the cross-section.
